

Central Coast

Volume I - ITS Strategic Plan

June 30th, 2000

Prepared for:

**ASSOCIATION OF MONTEREY BAY AREA
GOVERNMENTS (AMBAG)**

**SANTA CRUZ COUNTY REGIONAL
TRANSPORTATION COMMISSION
(SCCRTC)**

**COUNCIL OF SAN BENITO COUNTY
GOVERNMENTS (SBCOG)**

**TRANSPORTATION AGENCY FOR
MONTEREY COUNTY (TAMC)**

**SAN LUIS OBISPO COUNCIL OF
GOVERNMENTS (SLOCOG)**

CALIFORNIA HIGHWAY PATROL (CHP)

**SANTA BARBARA COUNTY ASSOCIATION OF
GOVERNMENTS (SBCAG)**

**SANTA BARBARA METROPOLITAN TRANSIT
DISTRICT (SBMTD)**

**FEDERAL HIGHWAY ADMINISTRATION
(FHWA)**

**FEDERAL TRANSIT ADMINISTRATION
(FTA)**

**CALTRANS NEW TECHNOLOGY &
RESEARCH PROGRAM**

CALTRANS DISTRICT 5

Prepared by:

TRANS CORE

TABLE OF CONTENTS

VOLUME I		Page #
EXECUTIVE SUMMARY		E-1
E.1 Central Coast ITS Overview	E-1	
E.2 A Vision of the Not-So-Distant Future	E-3	
E.3 ITS in the Central Coast - From Vision to Reality.....	E-4	
E.4 The Strategic Plan Road Map - A Progression From Vision to Project Priorities.....	E-4	
E.5 Some Highlights of the ITS Strategic Direction in the Central Coast	E-6	
E.5.1 Regional Strategic Direction	E-6	
E.5.2 Priority Projects in Santa Cruz County.....	E-10	
E.5.3 Priority Projects in San Benito County	E-11	
E.5.4 Priority Projects in Monterey County.....	E-11	
E.5.5 Priority Projects in San Luis Obispo County	E-11	
E.5.6 Priority Projects in Santa Barbara County.....	E-12	
E.6 What Will Make These Applications Successful.....	E-12	
E.7 Why Should You Be Interested in the Strategic Plan	E-13	
E.8 Next Steps	E-14	
1. INTRODUCTION.....	1-1	
1.1 Strategic Plan Outline.....	1-1	
1.1.1 Volume I – ITS Strategic Plan	1-2	
1.1.2 Volume II – ITS Project Implementation Guide	1-2	
1.1.3 Volume III – Project Documentation	1-2	
1.2 What Are Intelligent Transportation Systems?	1-3	
1.3 ITS Benefits and Successes – What Can We Expect?	1-5	
1.4 What is the Central Coast Region?	1-7	
1.5 What is the Central Coast ITS Strategic Plan?	1-9	
1.6 How Was the Strategic Plan Developed?	1-9	
1.7 The ITS Vision and How it Relates to Other Plans.....	1-12	
1.8 Coordination with Other Regional and National ITS Activities	1-14	
1.8.1 Federal Activities	1-14	
1.8.2 Statewide Activities	1-15	
1.8.3 Activities in Other Regions.....	1-17	

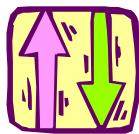

Central Coast ITS

Strategic Deployment Plan

TABLE OF CONTENTS

	Page #
2. WHERE ARE WE NOW?	2-1
2.1 Overview of the Transportation Context.....	2-1
2.1.1 General Characteristics	2-1
2.1.2 Existing Transportation Systems	2-3
2.2 Identification of Existing and Future Challenges.....	2-6
2.3 Central Coast – Existing ITS Initiatives	2-16
3. WHERE ARE WE GOING?.....	3-1
3.1 From Vision to Priorities – A Progression	3-1
3.2 Central Coast ITS Vision.....	3-3
3.3 ITS Strategic Direction.....	3-5
3.3.1 ITS User Services – A Structure for the Strategy	3-5
3.3.2 The Overall ITS Strategic Direction	3-6
3.3.3 Strategic Direction for the Central Coast Region	3-10
3.3.4 Strategic Direction at the County Level.....	3-14
3.4 ITS Project Concepts	3-17
3.4.1 ITS Market Packages – The Strategic Plan Structure	3-17
3.4.2 Market Packages and the National ITS Architecture.....	3-18
3.5 Recommended ITS Projects	3-23
3.5.1 Project Definition.....	3-23
3.5.2 Groups that Stand to Benefit from ITS Projects	3-27
3.6 Implementation Priorities	3-30
3.6.1 Project Evaluation	3-30
3.6.2 The Central Coast TMC and the Caltrans 10-Year Plan - Priority Regional ITS Initiatives.....	3-34
3.6.3 Priority ITS Projects in Santa Cruz County	3-38
3.6.4 Priority ITS Projects in San Benito County	3-38
3.6.5 Priority ITS Projects in Monterey County	3-39
3.6.6 Priority ITS Projects in San Luis Obispo County	3-39
3.6.7 Priority ITS Projects in Santa Barbara County	3-40
3.6.8 Lead and Support Agencies	3-40
3.6.9 Interaction with the Private Sector.....	3-44
3.6.10 A Word About ITS Communications.....	3-45
3.6.11 ITS Project Cost Analysis	3-47

TABLE OF CONTENTS

	Page #
4. HOW DOES IT FIT TOGETHER?	4-1
4.1 What is an Architecture?	4-1
4.2 What is the National ITS Architecture?	4-2
4.2.1 What Does It Do?	4-2
4.2.2 What Is It Made Of?	4-2
4.2.3 Why Is It Useful?	4-3
4.3 Regional ITS Architecture for the Central Coast	4-3
4.3.1 What Is It?	4-3
4.3.2 How Was It Developed?	4-4
4.4 Physical Architecture.....	4-5
4.4.1 What Is It?	4-5
4.4.2 What It Looks Like - Regional View	4-6
4.4.3 What It Looks Like - County-by-County View	4-7
4.4.4 Why Is It Useful?	4-8
4.5 Organizational Architecture	4-8
4.5.1 What Is It?	4-8
4.5.2 What Does It Look Like?.....	4-8
4.5.3 Why Is It Useful?	4-9
4.6 Architecture Flow Diagrams	4-10
4.6.1 What Are They?	4-10
4.6.2 What Do They Look Like?	4-10
4.6.3 Why Are They Useful?	4-10
4.7 Conformance With the National ITS Architecture	4-11
4.7.1 What is the Reason for Architecture Conformance?	4-11
4.7.2 What is Expected from Project Conformance?.....	4-12
5. HOW WILL WE GET THERE?	5-1
5.1 The Importance of Planning for Implementation	5-1
5.2 Implementation Principles for the Central Coast	5-2
5.3 Action Plan	5-5
5.4 Transportation Agency Funding Opportunities.....	5-7
5.5 Updating the Strategic Plan	5-8

Central Coast ITS Strategic Deployment Plan

Table of Contents

APPENDICES

- Appendix A – ITS Terms
- Appendix B – Problems & Needs Definition
- Appendix C – User Services
- Appendix D – Market Packages
- Appendix E – Central Coast ITS Project Descriptions
- Appendix F – Funding Opportunities
- Appendix G – Caltrans District 5 10-Year ITS Plan

Additional materials within the Central Coast ITS Strategic Deployment Plan include the following:

VOLUME II – ITS PROJECT IMPLEMENTATION GUIDE

VOLUME III – PROJECT DOCUMENTATION

Central Coast ITS

Strategic Deployment Plan

Table of Contents

TABLE OF EXHIBITS

	Page #
E.1 Strategic Plan Progression From Vision To Implementation Priorities	E-5
1.1 The ITS Strategic Planning Process & Its Relationship To Sections In The Strategic Plan	1-3
1.2 Representative ITS Benefits.....	1-6
1.3 Central Coast Region	1-8
1.4 Central Coast Outreach Approach	1-11
1.5 ITS Strategic Planning Projects in California.....	1-18
2.1 Central Coast Population Estimates – 1995 and 2020.....	2-2
2.2 Central Coast State Highway Network	2-5
2.3 Central Coast Transportation – Related Challenges	2-7
2.4 Central Coast Regional Challenges and Needs-Northern Counties.....	2-8
2.4A Central Coast Regional Challenges and Needs-Northern Counties	2-9
2.5 Central Coast Regional Challenges and Needs-Southern Counties.....	2-10
2.6 Existing ITS Activities in the Central Coast Region (Northern Counties).....	2-17
2.7 Existing ITS Activities in the Central Coast Region (Southern Counties).....	2-18
2.8 Existing ITS Activities in the Central Coast Region (County-by-County).....	2-19
3.1 Strategic Plan Progression from Vision to Priorities	3-2
3.2 Recommended Market Packages, ITS Project Concepts, and Deployment Timeframes	3-19
3.3 Recommended Central Coast ITS Project Locations.....	3-24
3.4 Example Project Locations for Closed Circuit Television (CCTV)	3-27
3.5 Groups that Stand to Benefit from Central Coast ITS Projects	3-28
3.6 Evaluation of Recommended ITS Projects Against Evaluation Criteria	3-32
3.7 Graphical Depiction of Caltrans D5 10-Year ITS Plan	3-35
3.8 Principles of TMC Implementation and Operation.....	3-36
3.9 Lead and Support Agencies	3-42
3.10 Central Coast ITS Project Cost Analysis	3-49
4.1 How the National ITS Architecture was used to Develop the Central Coast Regional ITS Architecture	4-5
4.2 Central Coast Physical Architecture - Combined Regional View	4-6
4.3 Santa Cruz County - Existing Systems/Centers	4-7
4.4 Central Coast Organizational Architecture - Representative Regional View.....	4-9
4.5 Representative Architecture Flow Diagram.....	4-11
5.1 List of Actions and Agencies Responsible for Those Actions	5-5
5.2 Sample Format for Maintaining Regional Project Status List	5-9
